

Fan Yard Sign Order Form 2010

Fan Yard Signs provide you with the great opportunity to show support for your favorite football player, cheer or pom team member by placing a custom sign in the shape of a football helmet, megaphone or a pair of poms in your yard with your favorite team members his/her name and number *(if applicable)*.

We have a mega phone or pair of poms both with a Pirate which will display your team member's name. All signs are one sided and come complete with stand. Signs are made of durable coroplast vinyl for long lasting durability. Prices for the signs are \$17.00 each which include sign of your choice, name, number *(if applicable)* and stand.
